

ENGEL

MT45

The Engel MT45 is a medium/large sized powerful freezer capable of freezing almost anything. It is ideal for long term freezing.

As a refrigerator it can hold a steady interior temperature.

They are great for people on the move - as this unit can be taken anywhere! - all you need is either a 12 Volt power supply or household 110 Volt supply. Features super low power consumption.

Commonly used by:

- ▶ **Fishermen** - freezing fish or keeping bait frozen
- ▶ **Boaters** - for making ice cubes
- ▶ **Campers** - keep food frozen or beers chilled
- ▶ **Fire Departments** - Re-freeze cool vests
- ▶ **Reps on the road** - for frozen product samples
- ▶ **Truckers** - for cooling refreshments
- ▶ **Biologists** - for blast freezing test samples in the field
- ▶ **Remote Cabins** - works well off wind and solar generators
