## Isotherm CRUISE 85 Elegance—medium size marine refrigerators

The Isotherm Cruise 85 Elegance is a 3.0 cubic foot marine refrigerator (85 liters) available now in two colors: Silver and Black. The CR85 Elegance Silver features a brushed aluminum panel and the CR85 Elegance Black has a gloss acrylic panel with 3-side black flange.

The new Elegance design features a two-inch thick door with more insulation for superior cold retention and operating efficiency. The CR85 Elegance features a four liter freezer compartment, one adjustable shelf with a hatch to allow tall bottles to stand upright and a built-in fan-cooled Danfoss / SeCOP compressor. The CR85 Elegance has an innovative internal anchoring system which allows mounting the fridge without a flange. Anchoring screws can be secured through the inside wall of the fridge for a clean, modern installation. Interior light and flange is standard. Easy door swing change from right to left. The doors are durable and easy to maintain.

Isotherm Cruise Elegance DC only marine refrigerators are designed for easy integration of the Isotherm Smart Energy Control (ISEC) which reduces battery consumption by up to 50% under typical cruising conditions. The ISEC module only works with the Danfoss/SeCOP DC-only modules.

### Your Advantages:

- Volume: 3.0 cubic feet (85 liters)
- Extra thick door insulation for low power consumption
- Easy fit installation solutions with innovative internal mounting system
- Silent, high efficient, fan cooled 12/24V Danfoss Compr.
- Innovative vent-lock system
- Ready for Isotherm Smart Energy Control (DC units only)
- Blue LED internal lighting
- Customizable door panel and handle
- 6 liter freezer compartment with door
- Optional fixing frames

### Available Models:

**C085RBUAB11111AA** - Cruise 85 Elegance Black - DC only, Black Door, 3-Sided Black Flange

**C085RBUAB71113AA** - Cruise 85 Elegance Black - AC/DC, Black Door, 3-Sided Black Flange

**C085RSAAS11111AA** - Cruise 85 Elegance Silver - DC Only, Silver Door (no flange necessary)

**C085RSAAS71113AA** - Cruise 85 Elegance Silver - AC/DC, Silver Door (no flange necessary)

### Technical Details:

- Type: CR EL 85
- Volume: 3.0 cft
- Dimensions: 24.7h x 18.7w x 19.6d
- Power Consumption W/24Hr: 380
- Weight: 53 Lbs.
