Isotherm DRAWER 65 Stainless Steel (INOX) - marine fridge/freezer

The Drawer 65 Stainless Steel (INOX) is a 2.3 cubic ft fridge/freezer, with a space-saving forward opening drawer. The door itself is a rugged yet handsome 316 grade brushed stainless steel door. Its new design is based on the standard 65 liter refrigerator but in a pull-out drawer featuring an innovative interior concept with bins and bottle racks. The Drawer 65 features an internal freezer drawer, a shelf with storage for 12 ounce cans and a caddy that holds three wine bottles. A sequence of 5 LED lights provides blue internal light.

All Isotherm marine refrigerator drawer sizes fit common cutouts for conventional door-style refrigerators on boats and provide a convenient and upscale way to store food and beverages. Like all Isotherm products, the Drawer models are backed by the exclusive Isotherm 5-year limited warranty on all compressors and two years on all parts.

Available Models:

3065BA2C00000 - Drawer 65 Stainless Steel Refrigerator with Freezer Compartment - DC Only, 4 - Sided Stainless Steel Flange
